COMMUNITY SPOTLIGHT

Niecy Dobson joined the Family Bridge Inc. in April 2022 working diligently at the food pantry alongside program manager Ms. Dee McMullen. Niecy was later greeted and shown lots of love by her new extended family, who welcomed her with open arms.

Niecy's 1st assignment as a Volunteer was assisting the staff with an awesome Brunch for our super seniors. After retiring from the Federal Government U.S. Environmental Protection Agency for more than 32 years, Niecy was honored to accept her new role to serve, assist, and mentor others. Her favorite phrase is "accentuate the positive, eliminate the negative latch on to the affirmative and don't mess with Mr. In Between."

Not only does Niecy volunteer she also enjoys cruising the Caribbean seas, traveling with her beautiful Mom, spending quality time with her son, Princess granddaughters aka her triplets, other family members, friends near and far and church family where she has been a member for over 50 years. Niecy was simply born to make a positive difference throughout her life journey.
